Falvey, John F (DOT) [john.falvey@alaska.gov](mailto:john.falvey@alaska.gov)

Leave slip directions for those who have left the Ketchikan shipyard.

AMHS Vessel Employees at Vigor Shipyard

Below is additional guidance for AMHS vessel crew sent home from ships at Vigor Shipyard.

If you were working on the vessels at Vigor Shipyard and left as a part of AMHS' reducing the density of people in the Ketchikan shipyard you will need to complete a regular leave slip and check the other box. You will **also** need to complete the attached "verification for paid leave due to Coronavirus 2019" form. Do not check any of the boxes on this form - instead please write "**sent home to reduce density at Vigor shipyard**" above the Dates for COVID-19 leave.

This leave slip is for 14 days after your last day working in the shipyard. We will figure out what happens after that.

Attached is sample completed verification form.

Thank you,  
Captain Falvey
